Re: Purchase of a barrel for water Works at Arkalgud.

====

I have the honour to state that the Sanitary Engineer has intimated that the barrel of the pump of the water works at Arkalgud was damaged and there was interruption of service, that the Assistant Engineer repaired the barrel and restored service expeditiously, that it is very necessary to have a new brass barrel at a cost of Rs.560/- as spare to guard against break-down of water supply and requested the municipality to place this amount at his disposal immediately for placing orders for the barrel. The Municipal Council have agreed in their resolution dated 15-12-44 to meet this cost. Necessary provision has been made on this account in the sanctioned budget of the Municipality for the current year. I request that sanction of Government may kindly be obtained to the purchase of a new brass barrel at a cost of Rs.560/- as intimated by the Sanitary Engineer.

A copy of the resolution of the Municipal Council is enclosed.

I have the honour to be,
Sir,
Your most obedient servant;

G. A. Wright

Deputy Commissioner,
Hassan District.
